

THE CINCINNATI ENQUIRER

twice **confirms** that **Stautberg claims** about Tom Brinkman's voting record are **false and misleading**.

Don't be duped by **Peter Stautberg**.

He's trying to distract you from the real issues - that he supports Common Core and free needles for drug addicts.

It's time to **FIRE** Peter Stautberg and hire Tom Brinkman.

Familiar GOP foes battle in Ohio House 27th District

It is utter nonsense to confuse unanimous votes on issues like:

- HB 344 "S.Sgt. Matt Maupin Veteran's Memorial Highway"
- HR 212 Recognize the 50th Anniversary of the Hungarian Revolution
- SB 55 Create "one nation under God" license plate
- SB 107 Rename township clerk the Fiscal Officer
- SB 144 Modify Ohio real estate appraiser law
- SB 227 "Deputy Brandy Memorial Highway"

with any claim that Tom Brinkman votes with Democrats or ever supports anything other than a Conservative agenda.

Virtually every member (Republican and Democrat) voted YES on such issues. You can claim that every Republican legislator, voted "with the Democrats" on a majority of floor votes. Such a claim is hypocrisy.

Don't be Duped by Peter Stautberg.

Vote for Tom Brinkman and restore honesty & integrity to the Ohio statehouse.
